ITEMS OF INTEREST
Gleaned from Various Parts of the County.

The Maumee Valley Railways & Light company is defendant in a suit for \$10,000 brought by Mrs. Alice M. Warner, who lives northwest of Perrysburg.
The plaintiff alleges that on Jan. 25 she boarded a car at Perrysburg to ride to Warner's crossing and that the car started while she was standing on the steps, about to alight.
The petition says that she was severely and permanently injured and suffers much pain and that she was compelled to pay out big sums for the attendance of physicians.
Mrs. Warner alleges negligence on the part of the railway employees in starting the car too soon and wants to hold the company responsible, \$10,000 worth.—Sentinel.

The two limited cars for the T. B. G. & S. Traction company arrived at B. G. Saturday and were unloaded Sunday.
The cars are a bright red in color with brass trimmings and are longer than the regular cars. Equipped with air brake, hot water heat and high power motors, they will be valuable additions to the company's rolling stock. The ends of each car has the word limited painted in large letters across it. They will be used on the fast runs which will be inaugurated soon.

The cases of Thomas M. Clemons against Clara Clemons and S. E. Tilton, which created so much excitement in Prairie Depot, several months ago were dismissed in common pleas court Monday morning, the plaintiff paying the cost. Clemons sued his wife for divorce and Tilton for damages for alienation of his wife's affections, but a settlement was reached and the suits dropped.

Eliza Haines was granted a divorce from Henry Haines on the grounds of wilful absence by Judge Fries. She was also restored to her maiden name of Eliza George and the defendant was debarred from any interest in her property.

S. M. Myers, the Lancaster man who was hurt by the interurban car near B. G. last week, and believed to be fatally injured, is slowly recovering and there is good chance for him to live. His people in Lancaster have been notified of his condition and his brother arrived to look after him. Mr. Myers was a law student at Ada but forced by lack of funds to take up work for a school supply concern for a short time. During his moments of consciousness he repeatedly asks that the news of his accident be suppressed from his mother, as he fears that it would worry her.

Owing the epidemic of scarlet fever at Prairie Depot the schools will not reopen until the 27th. Miss Mabel Shunk one of the teachers is very ill with the disease. Only one death has occurred that of Claudia Ward. Another pupil of the schools, Hazel Cupp is in a very critical condition.

Miss Jane Stone, the only woman oil operator in the North Lima field, is sued by Hurd & Deiter, drilling contractors, for almost \$1000, alleged to be due on account.

Mrs. Kohl, one of the smallpox victims at Waterville, it is feared, will lose the sight of one of her eyes as a result of the disease. All of the others of the family who have been afflicted are recovering and will bear no ill effects from the disease. The health officials have succeeded in confining the disease to the one family.

FIENDISH SUFFERING
is often caused by sores, ulcers and cancers, that eat away your skin. Wm. Jedell of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve, or Ulcers, Sores and Cancers. It is the best healing dressing I ever found." Soothes and heals cuts, burns and scalds. 25c at Bowers & Comstock's drug store; guaranteed.

PURCHASE FORT MEIGS
Maumee Valley Pioneer Association Will Secure Grounds.

The meeting of the Maumee Valley Pioneer Association was held in Toledo on Wednesday, and the following report is taken from the Blade:
President D. K. Hollenbeck presided at the meeting, which was called to order at 11 o'clock. The minutes of the meeting held last year at Perrysburg were read by Secretary J. L. Pray, and after the report of Treasurer Mitchell was read a discussion arose as to the advisability of having an auditing committee each year. While one was not needed this year, it was determined to follow business principles, and, on motion, the president appointed Julius Lamson, Judge R. S. Parker and J. E. W. Leach to serve the committee to report at its pleasure during the coming year.
The treasurer's report shows balance on hand last year, \$176.87; receipts during year, \$54; disbursements \$191.91; balance on hand, \$38.96.
In the selection of three new directors for three years D. K. Hollenbeck, J. L. Pray and C. O. Brigham were re-elected.
The greater part of the time of the association was taken in discussing what action should be pursued in regard to acquiring possession of Fort Meigs. C. F. Chapman, of Perrysburg, chairman of a committee appointed last year to secure an option on the territory, reported that heretofore the owners had asked \$300 per acre, but that the attorney for the owners had assured him that the price could be lowered to \$250 per acre. He said there were 25 acres wanted by the association, which were located between the river road and the river.
He thought the price was reasonable. Mr. Chapman's views were opposed by a number present, and in the discussion it was said that there was a great probability the C. H. & D. railroad and the Toledo Urban & Interurban road would give good suits toward the purchase of the tract, and would assist in improving it afterward as a resort for pleasure seekers.
A committee of three was appointed to get the best price in their judgment, and when the price was fixed this committee should confer with the railroad to learn the amount of their contributions. The committee appointed is Julius Lamson, David Robinson, Jr., and J. K. Hamilton.

THE MAUMEE VALLEY
Telephone Company Elect Directors and Officers.
The stockholders of the Maumee Valley Telephone Co., met in annual meeting at the office of the company on last Friday at 2:00 o'clock p. m. and elected the following directors: Jacob Davis, A. C. Fuller, Ed. L. Blue, William Comstock, Geo. W. Hoffman, Chas. L. Koch, W. C. Perrin, Norman L. Hanson, R. R. Hillard, Chas. L. Maddy, George Linmer, Thos. M. Franey, Thos. H. Tinney, A. J. Witzler and E. A. Underhill.
R. R. Hillard was also re-elected to the office of General Manager for the ensuing year.
In the evening of the same day at 7:00 p. m. the newly elected directors met and elected the following officers: President, Jacob Davis; Vice President, G. F. Hoffman; Treasurer, R. R. Hartshorn; Secretary, R. R. Hillard.
Reports from both the General Manager and Treasurer were presented showing the company to be in a very prosperous condition.
During the year last past one hundred and thirty-six new subscribers were added to the list making a total of three hundred and thirty-one subscribers now connected with the exchange.
Over twenty six miles of cedar pole lines were built during the year, on which were placed over one hundred miles of wire.
The company will make a specialty of its new \$1.25 per month service, for country subscribers the coming spring, and to judge by the calls coming in for telephones, will be able to add a much larger number of subscribers the coming season than during that just past.
Mr. Hillard tells us that the total issue of capital stock only the amount of \$1,225.00 remains to be sold, and it is the desire of the company to place this in the hands of representative citizens of this place and surrounding vicinity. Orders for any amount will be entered in the order received, until the full amount is subscribed for.
The shares of the company are \$25.00 each, payable as follows: 25 per cent. cash upon subscribing, balance in equal monthly payments of 25 per cent. each until paid. The full amount of the subscription can be paid at one time should the subscriber so desire.

DEATH OF SAMUEL PRUDEN.
Samuel Pruden was of English birth having been born in Cambridgehire, Eng., May 17, 1825, and departed this life at the home of his son Thomas, Feb. 9, 1905 at the age of 79 years, 8 months and 23 days. When 27 years old he came to America and settled near Monroeville, Huron Co., Ohio, where he resided 13 years. Next he settled on Hull Prairie, Wood Co., O., where he resided 34 years. The last six years he has lived with his son Thomas, five of these years in Deerfield, Mich.
He was united in marriage Oct. 29, 1850 to Mrs. Margaret Thorp. To them were born ten children, three of whom died in infancy. Those living are William of Conroy, Ohio Thomas of Deerfield, Mich., John of Hull Prairie, O., Mary A. Thompson of Oceana Co., Mich., Sarah Dibert and Jane Leydoff of Perrysburg, O., and David of Bittion, Mich. At his death four generations lived in one house and he left in all 23 grandchildren and 11 great grandchildren.
We need not mention the true care bestowed by the son and his family during the last years of his life. We visited him twice during his last illness and found him praying for the love of God to fill his soul. We have reason to believe that the Savior answered with sins forgiven. Thus the head of the family is gone. We part to meet again. Let the life of Jesus Christ fill thy soul.
The funeral services were held in the M. E. church in Deerfield, Rev. N. Norton Clark officiating, many of the friends of the deceased and family being present. The body rests on the western bank of the river Raisin, where the morning sun kisses earth's mantle of white. Materialism says of the dead, "your being is ended," but Christianity cries "Our dead live!" Yes, the Christian lives in the love of Jehovah God.—Deerfield Times-Journal.

Death Of Estimable Young Man.
Frederick H. Bamer, a student in the electrical engineering department of Ohio State University, died Saturday evening at the home of his parents, Mr. and Mrs. John Bamer, at Weston.
The young man was one of the brightest and most energetic students at the university, where he has been for the past two years, and he leaves a large circle of friends in Toledo as well as in his home town. He was taken ill about ten days ago with typhoid fever and was taken home from the university, two of his classmates, accompanying him.
Besides his parents, who reside at Weston, he leaves a brother, M. L. Bamer, of Toledo, and a sister, Mrs. Dr. Weaver, of Columbus.
The funeral was held at Weston Tuesday afternoon at 2 o'clock, the Grand Rapids Masonic lodge, of which the deceased was a member, having charge.

PUBLIC IS AROUSED.
The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 546 St. Clair Ave., Columbus, O., writes: "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, my stomach was so weak, I could not eat. Soon after beginning to take Electric Bitters I obtained relief, and in a short time was entirely cured." Guaranteed at Bowers & Comstock's drug store; price 50c.
